Saber

-Alain Stintzi review - all over positive

-Mental health issues brought up to external examiners and admin issues/communication, deficit impact etc. - not all under Alain's control

-Externals suggested the Councils make a unified front to have one voice i.e. "Faculty of - Medicine Graduate student association" rather than individual councils. - will toss around the idea with BMI and EPI

NEXT MEETING: Monday, April 16th (RGN 3126)
